So here I am
Doing everything I can
Holding on wat I am
Pretending I'm a superman

Tryin to keep
The gground on my feet
Seems the world is falling down around me

The nicer along
I'm singing this song
Tryiing to make the answers more than mabey

And I'm so confused
About wat to do
Sometimes I want to throw it all away

So here I am
Growing older all the time
Not getting older all the time
Feeling younger in my mind

And here I am
Doing everything I can
Holding on to what I am
Pretending I'm a superman

Tryiing to sleep
Lost count of sheep
My mind is racing faster every minute
What could I do more
Yeah I'm really not sure
I know I'm running circles
But I can't quit

And I'm so confused
About what to do
Sometimes I wana throw t all away

Your in everything in sight
Feeling weak I don't feel right
Telling me I have to change

Telling me to act my age
But if all that I can do
Is just sit and watch time go
Then I'll have to say goodbye
Lifes to short to watch it fly

So watch it fly

So here I am
Growng older all the time
Not getting older all the time
Feeling younger in my mind

And here I am
Doing everything I can
Holding on to what I am pretending I'm a superman
