Hello
They've sold our their music's changed
This sold out record sounds the same
Don't criticize our hobbies
We don't criticize you for being fucking assholes
Woah, woah, woah, woah
Teenage Kennedy lobotomy
Whoa whoa, whoa whoa
The Free Mumia tent was all out of Mumias
You got any contacts I can network with?
I gotta get a label so I can go on tour
Fuck off, we're not here for help
We're clearly in this for the wealth
Okay Pat
I get paid by the drum beat
Woah, woah, woah, woah
Teenage Kennedy lobotomy
Woah, woah, woah, woah
