## "The Project For A New American Century"

Visit "[The Project For A New American Century](#)" on MotoLyrics.com

It's a gut check of what you believe

Fuck shit up

A Global Pax Americana  
Neo-con, neo-fascist blue print - USA hegemony  
Charlatan war hawks, untried, untrue  
Celebrate and exploit tragedy  
To steal away control

And it's a gut check of what you believe!  
Will you stand up for democracy?  
or a New American Century?  
Endless...  
Endless violence, endless hatred  
Endless empire tyranny  
Will you make a stand for human dignity?  
Or never ending hate?

It's a think tank, psycho and crazed  
War profiteering membership - a world catastrophe  
They've got a war plan that counts on you  
to kill for their corporate empire  
while they sit at home!

And it's a gut check of what you believe  
Will you stand up for democracy?  
or a New American Century?  
Endless...  
Endless violence, endless hatred  
Endless empire tyranny  
Will you make a stand for human dignity?

Are you going to...Fight Back!  
Time to prove what you really believe  
We gotta FIGHT BACK!  
Until we win it all  
We gotta FIGHT BACK!  
Will you heed the call?  
The Neo-Fascist race to war  
The PNAC plan to rule the world

Brothers and sisters the time is right fucking now,  
Everyone and i fucking mean everyone in this building  
Raise your fist up high get it up sing  
Hey, hey, hey, hey, hey, hey, hey, hey!

It's a gut check of what you believe  
Will you stand up for democracy?  
or a New American (let's go!) Century?

Fuck shit up

And it's a gut check of what you believe  
Will you stand up for democracy?  
or a New American Century?  
Endless...  
Endless violence, endless hatred  
Endless empire tyranny  
Will you make a stand for human dignity?

Or never ending hate?
