This is the first night of the rest of our lives  
I can't help wonder, how is it we're still alive?  
Welcome to the first night of the rest of our lives  
Oh yeah, and I said  
Welcome to the first night of the rest of our lives

We stayed up all night long, laughing, singing in the streets  
Oh yeah, you know  
The Clash, Ramones, the Pogues  
Our voices hoarse, our bodies weak and ready for sleep  
Lean against me; wipe your bloodshot eyes as I wipe mine  
And from these rooftops, we'll watch the sun rise  
Ain't this the life?

Yeah, it's the first night of the rest of our lives  
I can't help wonder, how is it we're still alive?  
Welcome to the first night of the rest of our lives

With just a half tank of gas, 150 miles to go  
No cash, no food  
We turned the engine off every time we went downhill  
And it's on with the show  
I don't know whether to laugh or cry  
Oh no, I don't  
All I know is that I am alive, I'm really alive!

And it's the first night of the rest of our lives  
I can't help wonder, how is it we're still alive?  
Welcome to the first night of the rest of our lives  
Oh yeah, and I said  
Welcome to the first night of the rest of our lives

We heard "You there!" and jumped from the train  
Ran up the tracks  
All the while you screaming back, "Kiss my ass!"  
We're living our lives, I'm living,  
And yeah, I'm doing fine,  
Oh yeah, oh yeah, I'm doing fine!

And it's the first night of the rest of our lives  
I can't help wonder, how is it we're still alive?  
Oh, welcome to the first night of the rest..  
Let's hope this night of nights won't be our last  
Yeah, welcome to the first night of the rest of our lives  
Oh, goodbye
