underground network - alternative communication [x2]
corporate media can't keep us beat down,
brainwashed, enslaved
'cause of our... underground network - alternative
communication

up and fight!
they try to keep us ignorant but we... stand up and
fight! stand up and fight!
they want to make our rights away so... stand up and
fight! stand up and fight! stand up and fight! fight...!

underground network - alternative communication [x6]
corporate media can't keep us beat down,
brainwashed, enslaved
'cause of our... underground network - alternative
communication
NO! COMMUNICATION!
