The Anarchists are positive like bees around a hive
Yes, protesters sit in the streets with signs signs signs
The slept of the world have filled us to the brim
But some must have cast that balance based on those
who live in sin

It's unbelievable
It's unbelievable to watch the system crumble
This political shakedown, coming correct from the
underground
This political shakedown, coming correct from the
underground
We've been cut up, we've been shut up for far too long

Pull the feeding tube, out of the mouth of democracy
Tell 'em we're starving to death
What's buried in the ground, we can all breathe free
We can all breathe free

It's unbelievable
It's unbelievable to watch the system crumble
This political shakedown, coming correct from the
underground
This political shakedown, coming correct from the
underground
We've been cut up, we've been shut up for far too long

It's unbelievable
It's unbelievable

(Policeman)
It's unbelievable
(Takes his gun to her head)
(Just like he's beating the drum)
It's unbelievable
(And those reporters dance like hell)
(To the sounds)

(Policeman)
It's unbelievable
(Takes his gun to her head)
(Just like he's beating the drum)

It's unbelievable
(And those reporters dance like hell)
(To the sounds)
