You can spoon my eyes out
But I can still see through you
Slice my ears from my head
But you cannot shut out the sounds of truth
Lock off each hand at the wrist
So I can't raise my fist

You can kill the protester
(can't kill)
But you can't kill the protest
You can murder the rebel
(Murder)
You can't murder the rebellion

Sawed my feet at the ankles
But I wasn't going to run
(I wasn't gonna run)
So he grabbed my face
And sliced off my tongue
Lock off each hand at the wrist
So I can't raise my fist

You can kill the protester
(Can't kill)
But you can't kill the protest
You can murder the rebel
(Murder)
You can't murder the rebellion
(No)

Lying still now
(No)
No way to speak
(No)
There's nothing to fear
(There's nothing to fear)

(No)
Lying still now
(No)
No way to speak

(No)
There's nothing to fear
(No nothing to fear)
'Cuz bullets can't silence ideas

You can kill the protester
(Can't kill)
You can't kill the protest
You can murder the rebel
(Murder)
You can't murder the rebellion
The rebellion
The rebellion
No
