but I can still see through you

Slice my ears from my head,

but you can not shut out the sounds of truth

Lock off each sound at the wrist

so I can't raise my fist!

you can kill the protestor (can't kill)

you can't kill the protest

you can murder the rebel (murder)

you can't murder the rebellion

Sawed my feet at the ankles, but i wasnt going to run

Grabbed my face, sliced off my tongue

Lock off each hand at the wrist,

so I can't raise my fist!

you can kill the protestor (can't kill)

you can't kill the protest

you can murder the rebel (murder)

you can't murder the rebellion

LYING STILL NOW, NO WAY TO SPEAK. NOTHING TO  
FEAR, BULLETS CAN'T SILENCE IDEAS!
