All you ever do is brag about your dad
Well what the motherfucking hell did he ever do?
He had some money, I guess he was fucking rich
Yeah, well if you ask me I think your dad was a fucking
dick
He was a rich man, your daddy's fucking dead
Your daddy was a rich man, your daddy's fucking dead
He was a brainwashed, scum fucker,
Wasted mother fucking piece of shit
Your daddy made a lot of fucking money,
I guess that means he was a real fucking honey?
Yeah more like your dad was just a motherfucking
scumbag
Who had to stick a needle in his dick to get high
Your daddy was a rich man, your daddy's fucking dead
Your daddy was a rich man, your daddy's fucking dead
Your daddy was a scumbag, motherfucker,
Fuckhead, asshole, piece of shit
He was a whore, a fuckin's rich piece of whore
Oh yeah, daddy daddy daddy daddy daddy daddy
daddy
daddy daddy daddy
Your dady was rich man
I said you daddy was a rich man rich man rich man
Your daddy was a rich man, your daddy's fucking dead
Your daddy was a rich man rich man rich man
Your daddy's fucking dead
