(Shawn Colvin)  
I don't know why  
the sky is so blue  
And I don't know why  
I'm so in love with you  
But if there were no music  
Then I would not get through  
I don't know why  
I know these things, but I do  
I don't know where  
but somewhere dreams come true  
And I don't know where  
but there will be a place for you  
And everytime you look that way  
I would lay down my life for you  
I don't know why  
I know these things, but I do  
I don't know why  
but some are going to make you cry  
And I don't know why  
but I will get you by, I will try  
They're not trying to cause you pain  
They're just afraid of loving you  
I don't know why  
I know these things, but I do  
I don't know why  
the trees grow so tall  
And I don't know why  
I don't know anything at all  
But if there were no music  
Then I would not get trough  
I don't know why  
I know these things, but I do  
I don't know why  
I know these things, but I do
