[Missy]

Now see, the one thing I like about the niggas
Is that they can fess up to one of they boys
That they been sleepin' wit' the same chick, and laugh
about it
But see, a woman, could never admit to another
woman
That she been sleepin' wit' her man
Cuz if that ever happened to me
I would call your house and be like, yo

Don't you gotta man
Why you fuckin' wit' mine
See, I been through bad times
Get yo' mind off mines
You must be lonely
Why you messin' wit' me
But it won't be easy
To get my baby

[Missy & Lil' Mo]

1 - You don't know who you messin' with
Most of them leave with they car doors bent
I'm so pissed, you gon' make me flip
I'mma teach you not to touch my shit

Above While:

[Missy] Hello?

[Mo] Hello?

[Missy] Who dis?

[Mo] It's Mo'

[Missy] For Real?

[Mo] Hello?

[Lil' Mo]

I be callin' his house, when you're not around
Don't make me warn you, you know how I get down,
down
Somebody told me, but I ain't trippin' off you, no
If you were doing your thang, he'd still be wit' you

Repeat 1 while:

[Mo] Hello?

[Missy] You know who this is bitch, heh, yeah

[Mo] Yo, who dis for real, man, hello?

[Missy] You know who it is

[Lil' Mo]

2 - I can't believe you would ever do that

Can't you show me some respect

Is it cuz you jus' a reject

Gotta keep your ass in check

Repeat above While:

[Mo] Hello?

[Missy] Hello?

[Mo] Yeah, I come through, yo, where you live at?

[Missy] Ask your nigga where I stay at

[Mo] Please, he ain't got nutin' to do with this

[Missy] He know

[Mo] He ain't got nutin' to do with this

[Missy] He know

[Lil' Mo]

[Missy]

You been suckin' his dick
Tastin' my clit
Just a side chick, on the side bitch
I'm the prize bitch, keep it silent
Don't make me violent
You be dialin' 911 to tell the family

[Lil' Mo]

Around yo' crew, you's a bad bitch
Yo ass be talkin' mad ish
Toe to toe shoot the five
Girl you get yo ass kicked
What you think I'm gaming?
Shit is real, I aint playin'
(No more "Have My Baby")
Yo, I got yo' moms prayin'

[Missy]

It's gonna get risky
Fuck wit' Missy
I'mma shoot you where your ribs be
So you can feel me
Ain't it real B?
And you filthy and you mildy
Not appealin', drum roll

[Timbaland]

Uh oh, heh heh heh

Uh oh, you done done it now

She's mad, what
She's mad,
I'mma let them two girls fight
While I'm out
