In love in need
In want in miss
I taste your bite
I taste your kiss
And I think back
The things you said
They make me mad
A bull to red

And I wonder where you are
And I wonder what you wore
And I'm lost inside a bar
And I'm drunk inside a war
And I wonder where you are

Drinking Martinis by myself
On a Sunday
Drinking Martinis again
On a Monday

It's a half life...

I buy your brand
I smoke your brand
I count the what-
ifs on my hand

And I wonder where you are
And I wonder what you wore
And I'm lost inside a bar
And I'm drunk inside a war
And I wonder where you are

Drinking Martinis alone
Sunday morning
Drinking Martinis again
Sunday evening

It's a half life...

And I wonder where you are
