Verse 1:

I can't wait to get to school each day,
And wait for you to pass my way.
Then bells start to ring,
an angel starts to say
"Hey that's the girl for you.
So what are you gonna do"
Hey little girl, I love you.

So...

Chorus:

All I do is think of you
Day and night
I can't get you off my mind
(day and night)
All the time

Verse 2:

I begin to take the long way home,
Just so I can be alone,
to think of how to say
My heart is in here to stay
(hey I'm in love with you. I think the world of you)
So won't you please...please be mine (oh please be
mine, mine)

Chorus

Ba ba ba ba ba ba oh oh oh
I just think I'm in love (with you)
Ba ba baba ba ba
oh oh oh

Chorus and adlib until fades out
