Verse I

It's been so long lady...  
It's hard for me to imagine  
Where you are....  
I lost my mind and cried..  
Cause, lady i can't believe  
That all this Love i have you  
Is yet soo far....  
Far from me lady.

Hook:

I wish i had a little more time  
To be with you.  
All your wants..  
Your needs..  
And your dreams..  
Won't compare to what i will do for you.  
But, in your heart..  
You claimed ...i was'nt there  
But i still care....

Chrous:

Come back lady  
Come back....  
Come back to my heart... into your home.  
It's a cold world out there  
Where ever you go  
Where ever you maybe..  
Just change your mind  
And come back to your home..  
To Your Home...

Verse II

I can't Believe lady...  
That you turned away from Love  
And broke my heart..  
But, I'm holding onto Love..  
Cause.., lady I believe  
All this Love  
I feel so close  
Is in my heart  
In My heart.

Hook:

I wish I Had a little more Time  
To be with you..

All your wants  
Your needs  
And you dreams  
Won't come compare to what  
I would Do for you...  
But, in your heart  
You said i was'nt  
But, yet i still care..  
Girl, why can't you.....  
(repeat chorus)  
Bridge:  
Hey, lady...  
I Know it's hard sometimes.  
We have problems..., misunderstanding  
Some times, we really can't see eye to eye..  
But, It's a cold World out there..  
And here with me is where you need to be.  
So, i'm asking you lady...  
Can you Come back home ?  
And Be with me?  
Please...  
I really don't Know what else to say...  
So lady please  
Come back home.....-aca
