yeah, yeah

I Feel You

I'm gonna miss you darling

Yeah, yeah

Sing the Song..

Verse I

Since you've been away..

I've been so lonely

Our happy house is not a home anymore.

But, who's to blame..

For such a sad affair, but i didn't even get a chance

To say... that "I Love you"

Change:

A natural love is so hard to find..(yeah)

So baby why did you go..

And Leave me Behind

Hook: Troop.

When you think of Me

When You reach for me

I Feel You.....

When you speak of me

When you dream of Me..

I Feel You....In My Heart.

II Verse:

You left so soon,, i wondered what was on your mind..

I didn't even get a chance to Grow..with You.

But, now that you're watching...Watching over me...

I Feel you deep inside of me, baby.

Change:

A natural love is so hard to find..

And baby I just can't take this pain ,oh

Hook: Whispers (the Scotts)

When you think of Me  
When you call on me...  
I Feel You.....  
When you reach for me..  
When you speak of Me...  
I Feel You ....  
In My Heart..

vamp:

Realize you're in a better place...  
That's why it's o.k....( all this love for you)  
All this Love is for you..
