Verse I

It Blows My Mind
That you are so Lovely...
And a love like yours and mines
was soo hard to find.

And when you go..I get so
worried..
I just can't wait to be with you
I'm gonna make love to you
next time..

Chorus:
Where ever you go
You take...My heart with you (you take my heart)
Please don't you be late..(please don't be late)
Cause I
Wanna make love to you.....

Verse II

We've been together for awhile..Lady
And i can understand why you
still want to wait...
Oh girl, don't you know
I'll be soo gentle...
When i give my love to you
You won't have to worry
about a thing....

Cause in my mind
I see your body next to me lady.
And I'm a little nervous too..yeah
But, words can't explain..
How special...it will be.
Loving you...
But, you are gone
from me.....

Chorus:

Where ever you go
You take...My heart with you.
Please don't be late
Cause I
Wanna make love to you....

(Instrumental break)
(repeat chrous)
(ad-lib till fade)
