Still alive, but I'm barely breathing
Just praying to a God that I don't believe in
'Cause I got time while he got freedom
And when a heart breaks, no, it don't break even, even

His best days will be some of my worst
Finally met a girl that's gonna put her first
While I'm wide awake, he's no trouble sleeping
And when a heart breaks, no, it don't break even, even
Oh

What am I gonna do when the best part of me was
always you, and
What am I supposed to say when I'm all choked up and
you're okay
I'm falling to pieces
I'm falling to pieces

They say bad things happen for a reason
But no wise word's gonna stop the bleeding
'Cause he's moved on while I'm still grieving
And when a heart breaks, no, it don't break even, even
No

What am I gonna do when the best part of me was
always you, and
What am I supposed to say when I'm all choked up and
you're okay
I'm falling to pieces
I'm falling to pieces

Oh, you've got his heart and my heart and none of the
pain
You took your suitcase, I took the blame
I'm trynna make sense of what little remains, oh
'Cause you left me with no love, with no love to my
name

Still alive but I'm barely breathing
Just praying to a God that I don't believe in
'Cause I got time while he got freedom

And when a heart breaks, no, it don't break
No, it don't break
No, it don't break even
No

What am I gonna do when the best part of me was
always you, and
What am I supposed to say when I'm all choked up and
you're okay
I'm falling to pieces
I'm falling to pieces
