Everybody sees it's you  
I'm the one that lost the view  
Everybody says we're through  
I hope you haven't said it too

So where do we go from here  
With all this fear in our eyes  
And where can love take us now  
We've been so far down  
We can still touch the sky

If we crawl  
'Til we can walk again  
Then we'll run  
Until we're strong enough to jump  
And we'll fly  
'Til there is no end  
Yeah, let's crawl, crawl, crawl  
Back to love, yeah

Why did I change the pace  
Hearts were never meant to race  
Always felt the need for space  
But now I can't reach your face

So where are you standing now  
Are you in the crowd of my foes  
Love, can't you see my hand  
I need one more chance  
We can still have it all

If we'll crawl  
'Til we can walk again  
And we'll run  
Until we're strong enough to jump  
And we'll fly  
'Til there is no end  
Yeah, we'll crawl, crawl, crawl  
Back to love, yeah

Everybody sees it's you

I never wanna lose that view

So we'll crawl  
'Til we can walk again  
And we'll run  
Until we're strong enough to jump  
Then we'll fly  
'Til there is no end  
Yeah, we'll crawl, crawl, crawl  
Back to love, yeah

Crawl  
Oh, yeah, ooh, back to love
