Baby, are you down, down, down, down, down
Down, down
Even if the sky is falling down
Down, down

You ought to know
Tonight is the night to let it go
Let's put on a show
I wanna see how you lose control

So leave it behind 'cause we
Have a night to get away
So come on and fly with me
As we make our great escape

Baby, don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You are my only
No need to worry

Baby, are you down, down, down, down, down
Down, down
Baby, are you down, down, down, down, down
Down, down
Even if the sky is falling...

Down like she supposed to be
She gets down low for me
Down like her temperature
'Cause to me she's zero degree

She cold, over freeze
I got that girl from overseas
Now she my Miss America
Now can I be her soldier, please

I'm fighting for this girl
On a battlefield of love
Don't it look like baby Cupid

Sending arrows from above

Don't you ever leave the side of me
Indefinitely, not probably
And honestly, I'm down like the economy

Baby, don't worry
You are my only
You won't be lonely,
Even if the sky is falling down
You are my only
No need to worry

Baby, are you down, down, down, down, down
Down, down
Baby, are you down, down, down, down, down
