You walked with me  
Footprints in the sand  
And helped me understand  
Where I'm going

You walked with me  
When I was all alone  
So much unknown  
Along the way  
I heard you say

I promise you  
I'm always there  
When your heart is filled with sorrow  
And despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand

I see my life  
Flash across the sky  
So many times have I  
Been so afraid

And just when I  
Have thought I'd lost my way  
You gave me strength to carry on  
That's when I heard you say

I promise you  
That I'm always there  
When your heart is filled with sorrow  
And despair  
And then I'll carry you  
When you need a friend  
You'll find my footprints in the sand

And when I'm weary  
Well, I know you've been there  
And I can feel you when you say

I promise you  
Well, I'm always there  
When your heart is filled with sadness  
And despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand

When your heart is full of sadness  
And despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand
