It may not mean nothing to y'all
But understand nothing was done for me
And I don't plan on stopping at all
Yeah, I want this forever man, ever man

I'm shutting it down in the mall
Telling every girl she the one for me
And I ain't even planning to call
Yeah, I want this forever man, ever man

Last name Ever, first name Greatest
Like a sprained ankle, boy, I ain't nothing to play with
It started off local, but thanks to all the haters
I know G4 pilots on a first name basis

And your city faded off to brown, Nino
She insists she got more class, we know
Swimming in the money, come and find me, Nemo
If I was at the club you know I ball, chemo

Dropped a mixtape, that it sounded like an album
Who'd have thought a country wide tour be the
outcome
Labels want my name beside an X like Malcolm
Everybody got a deal, I did it without one

Yeah, I'm all about my business
Killing all these rappers, you would swear I had a hitlist
Everyone who doubted me is asking for forgiveness
If you ain't been a part of it, at least you got to witness

It may not mean nothing to y'all
But understand nothing was done for me
And I don't plan on stopping at all
Yeah, I want this forever man, ever man

I'm shutting it down in the mall
Telling every girl she the one for me
And I ain't even planning to call
Yeah, I want this forever man
