"He Is Love"

I've been beaten down
I've been kicked around
But he takes it all for me
And I lost my faith
In my darkest days
But he makes me want to believe

They call him love, love, love, love, love
They call him love, love, love, love, love
He is love, and he's all I need
He is love, and he's all I need

Well, I had my ways
They were all in vain
But he waited patiently
It was all the same
All my pride and shame
But he put me on my feet

They call him love, love, love, love, love
They call him love, love, love, love, love
He is love, and he is all I need
He is love, and he is all I need

He is love, and he is all I need
I need
