The way you talk to me is intriguing,  
The words you speak get my heart beating faster.  
I don't know what you're doing,  
But I sure like the way that you do it to me.  
Yeah, I sure like the way that you do it to me.

You're over the line,  
But I don't want you to stop.  
I'm losing control,  
But it's exactly what I want.  
Tonight it's you and me and no one else's game.  
And all you have to do is speak my name-  
To bring on the rain.  
To bring on the rain.

The way you look at me is defeating,  
With just one touch my inhibitions are fleeting.  
I don't know how you do it,  
But I sure like the way that you do it to me.  
Yeah, I sure like the way that you do it to me.

You're over the line,  
But I don't want you to stop.  
I'm losing control,  
But it's exactly what I want.  
Tonight it's you and me and no one else's game.  
And all you have to do is speak my name-  
To bring on the rain.  
To bring on the rain.

Something is telling me that I should say no.  
But the devil inside of me wants to let go.

First things first you wanna speed it up, I'll slow it down.  
Show me what you got, don't stop, take it to the top.  
Everything you say to me, you plan it carefully,  
To bring me to my knees-  
And take my breath away.

You're over the line,  
But I don't want you to stop.

I'm losing control,  
But it's exactly what I want.  
Tonight it's you and me and no one else's game.  
And all you have to do is speak my name-  
To bring on the rain.  
To bring on the rain.
