It's not a silly little moment  
It's not the storm before the calm  
This is the deep and dying breath of  
This love that we've been working on

Can't seem to hold you like I want to  
So I can feel you in my arms  
Nobody's gonna come and save you  
We pulled too many false alarms

We're going down  
And you can see it, too  
We're going down  
And you know that we're doomed  
My dear, we're slow dancing in a burning room

I was the one you'd always dreamed of  
You were the one I tried to draw  
How dare you say it's nothing to me  
Baby, you're the only light I ever saw

I'll make the most of all the sadness  
You'll be a bitch because you can  
You'll try to hit me just hurt me  
So you leave me feeling dirty  
'Cause you can't understand

We're going down  
And you can see it, too  
We're going down  
And you know that we're doomed  
My dear, we're slow dancing in a burning room
