I wake up in the morning feeling like P. Diddy  
My glasses on, I'm out the door - I'm gonna hit this city  
Before I leave, brush my teeth with a bottle of Jack  
'Cause when I leave for the night, I ain't coming back

Pedicure on our toes  
Boys blowing up our phones  
Drop-topping, playing our favorite CD:s  
Pulling up to the parties  
Trying to get a little bit tipsy

Oh, don't stop, make it pop  
DJ, blow my speakers up  
Tonight, Imma fight  
'Til we see the sunlight  
Tick tock, on the clock  
But the party won't stop, no  
Woah-oh oh oh  
Woah-oh oh oh

You build me up  
You break me down  
My heart, it pounds  
Yeah, you've got me  
With my hands up  
You've got me now  
You've got that sound  
Yeah, you've got me

The party don't start until I walk in

Don't stop, make it pop  
DJ, blow my speakers up  
Tonight, Imma fight  
'Til we see the sunlight  
Tick tock, on the clock  
But the party don't stop, no  
Woah-oh oh oh  
Woah-oh oh oh

Everybody's looking for love, oh-oh

Ain't that the reason you're at this club, oh-oh  
You ain't gonna find a dance with her, no-oh  
I got a better solution for you, boy, oh-oh

Leave with me now, say the word and we'll go  
I'll be your teacher, I'll show you the ropes  
You'll see a side of love you've never known  
I can see it going down, going down

In my head, I see you all over me  
In my head, you fulfill my fantasy  
In my head, you'll be screaming, oh  
In my head, it's going down, going down  
In my head, oh-oh-oh

Oh-oh  
Singing to me, baby, in my head right now  
Oh-oh-oh, oh-oh-oh-oh-oh  
He'll be screaming out when it all goes down

Leave with me now, say the word and we'll go  
I'll be your teacher. I'll show you the ropes  
You'll see a side of love you've never known  
I can see it going down, going down

In my head, I see you all over me  
In my head, you fulfill my fantasies  
In my head, you'll be screaming, oh  
In my head, it's going down, going down  
In my head
