I've been roaming around  
Haven't looking down with all I see  
Painted faces fill the places I can't reach

You know that I could use somebody  
You know that I could use somebody

Someone like you  
And all you know  
And how you speak  
Countless lovers undercover of the street

You know that I could use somebody  
You know that I could use somebody  
Someone like you

Off in the night  
While you live it up I'm off to sleep  
Waging wars to shape the poet and the beat

I hope it's gonna make you notice  
I hope it's gonna make you notice

Someone like me  
Someone like me

I've been roaming around  
Haven't looking down with all I see
