Mmm, whatcha say
Oh, that you only meant well
Well, of course you did
Mmm, whatcha say
Mmm, that it's all for the best
Of course it is

I was so wrong for so long
Only trying to please myself
And I was caught up in his lust
When I don't really want no one else

I know I should have treated you better
Me and you were meant to last forever
So let me in, give me a chance
To just be your woman

'Cause when the roof caved in and the truth came out
I just didn't know what to do
But when I become a star we'll be living so large
I'll do anything for you
So tell me, boy

Mmm, whatcha say
Oh, that you only meant well
Well, of course you did
Mmm, whatcha say
Oh, that it's all for the best
Of course it is

Whatcha say
Oh, that you only meant well
Of course you did
Mmm, whatcha say
Oh, what did she say

How could I live with myself
Knowing that I let our love go
And, ooh, what I do with one chance
Boy, I gotta let you know

I know that what I did wasn't clever
But me and you we're meant to be together
So let me in, give me chance
To just be your woman

'Cause when the roof caved in and the truth came out
I just didn't know what to do
But when I become a star we'll be living so large
I'll do anything for you
So tell me, boy

Oh, whatcha say,
Oh, that you only meant well
Of course you did
Mmm, whatcha say
Oh, that it's all for the best
Of course it is

Whatcha say
Oh, that you only meant well
Of course you did
Mmm, whatcha say
Oh, what did she say

Wha-wha-wha-wha-what did she say
