It's a rail
To fix all the ghosts
At my hospital
My hospital
Now we stand
Where we used to lie
If my ego's my god
Then I must be a sight for sore eyes
I see you left me here
I see I was meant to drown

It's a knife
To fix all the ghosts
At my hospital
Fucking hospital
Deconstruction
Of landscaping
I can't lock these doors
I don't feel a thing

I see you left me here
I see I was meant to drown
I think you're getting wet
From all the sex and standing in the rain
I bet you would
I'll bet you run

Pigeons please carry the message
Because I don't think I'm fit to send it
Pigeons please carry the message
I'm trading all my pearls
Just to stay the same

I'll trade all my pearls just to stay the same
I'll stay the same

I see you left me here
I see I was meant to drown
I think you're getting wet
From all the sex, Sugar, and standing in the rain
I bet you are
I bet you are
