I saw this man leanin' over.
Took his car and drove it over
A hill
I watched him drive away.
Yeah

And as he was leanin' over.
He looked back across his shoulder
and he said, "I love you anyway."
(x2)

Oh, roll me over,
This bed grownin' older.
I can't escape these legs in the ground.

And I know... just to pass the time.
Well, I see myself from here.
(x2)

I saw my love growin' older.
Shut his eyes and called it over the end.
I watched from far away
And as he was passin' over
He looked down across his shoulder
And he said, "I love you anyway."

Oh, roll me over,
This bed grownin' older.
I can't escape these legs in the ground.

And I know... just to pass the time.
Well, I see myself from here.
(x2)

And I know... just to pass the time.
Well, I see myself from here.

Go. Don't keep hanging' on.
Me? I'll be fine here.
(x2)

Go. Don't keep hanging' on.

Me? I'll be fine here.
(We may know I'll be fine)
(x2)
