Nothing is moving today  
Just in my mind, I really couldn't say  
And it feels rather strange  
So many different colored days  
I'm still here wonderin' 'bout things  
Whose to know what my life will bring  
Not exactly sure what it means yet for me  
Just to remember my dream  
Seems like I've been here before  
So much love  
And it's all that it appears to be  
After the rain  
Nothing is moving today  
Just in my mind, I really couldn't say  
And it feels rather strange  
Here at the end of my daze  
Seems like I've been here before  
So much love  
And it's all that it appears to be  
After the rain
