Like my god father told me, a lot of niggas flew here, I

87's was the year  
Trouble dropped ... stiffer than a broom  
My first word was motherfucker, then motherfucker

By the time 2000 came around, got a mind of my own  
8 people in a 3 bedroom but paps wasn't home  
Tell me ... more thrilly the way...how I got my first mill  
He jail at 16 on so...  
A lot of charges came after that, but that ain't half of  
me  
Wait for elementary, corn middle the...  
While I play, be ball to get by  
So I'm thought that I was shot, until the word...  
That I was shakin, ... ripping off the e way  
... black saved my life, help me get away  
And it's ductape for life, in the atl

The niggas they know my word, low around the ...nigga  
This like...them niggas play with me,  
In the middle of the street shoot light  
Man trouble, trouble, we busting our top  
In atl, your heart stop, it ain't no bullet proof for your  
head, watch it pop
