Girl you good for nothing, nothing  
But taking Instagram pictures  
Has got your ass on lot on Twitter  
Girl you good for nothing, nothing  
You in them clubs or the m  
You just love to be seen, on the scene  
You're good for nothing, good for nothing  
Girl you're good for nothing  
You're good for nothing, you're good for nothing  
Girl you're good for nothing  
Got no type of income, no goals  
You're just good for your clothes, yo  
You're good for nothing

Told bout no cooking, no cleaning, no nothing, aha  
Whatever club jumping, that's where you running  
Back to 10000 followers, they could knowâ€¦  
So sad, but I pay for everything, cause you ain't got no  
money  
Broke ass, try to get your mind right  
But you say I'm preached, as watch  
You say you fucking with me, but I say  
You leech my pockets  
You ain't good for nothing but dropping it low  
That's that blowingâ€¦putting out show for your twitter  
But say trouble can you be my nigga, let's make it  
official  
What you gonna do for me, we'll drink, fuck, lean back  
full of swishers  
And everybody know you, I need somebody they don't  
â€¦

Bitch you ain't my child or nothing  
You good for nothing  
Stay in my pile for something  
Same time you know you so well fuck it  
You're good for nothing  
And I don't see why you never own  
Only thing that you work  
Is your fingers on your phone  
Staying with your mama, always leave the kids home  
alone  
But you don't see that at all

Nothing, nothing but 6 in that black latexes  
I need a death regime, cat ain't going for yourself  
Nothing but following, all of your buttons  
They started onâ€¦ should be drinking much  
You always tweet, you always tell my â€¦  
That you ain't even eaten  
Yes I got about a shit, ah  
You need to find a trick who will let you sit back  
G mac, relax in your bed all the time  
â€¦ told me I should have put thatâ€¦out in the garbage  
Think I just kept her cause she loved to swallow  
When she'll ever get a job, doubt it,  
Will be proud of it,  
Or do something, until then you're good for nothing.
