I told you that the Bastards will pay  
maybe not yet, but they'll see the day  
I told you that God tempteth no man  
and you know we've got to do what we can  
I can tell some of you still can't see  
when are we going to stop this misery

I asked the assassin, if he has the right  
I hope someday maybe He'll see the light  
I told you all, right from the start  
choose the way that comes from the heart,  
I can tell some of you still can't see  
when are we going to stop this misery  
in these troubled times, you ask me  
how can we be saved  
tell all the people, everyone you meet  
the answer is LOVE

I told you, 'bout the wickedness of man  
to try and save him, I hope we can  
I told you 'bout my dream of love  
and the life that only comes from above  
I can tell some of you still can't see  
when are we going to stop this misery

in these troubled times, you ask me  
how can we be saved  
tell all the people, everyone you meet  
the answer is LOVE!
