"Wickedness Of Man"

Visit "[Wickedness Of Man](#)" on MotoLyrics.com

Man was not created for hate
deceitful minds plotting revenge
we are cast with eternal fate
share your love

Life is short, sometimes hell
empty hearts full with sin
we are doomed the message will tell
share your love

Wicked man, find peace of mind

Wicked man, find love for mankind
war & sin, will never win
Peace & love, will rise us up above
Life or death, depends upon oneself
Heaven and hell

Wicked man, find peace of mind
Wicked man, find love for mankind.
