I am home now  
Home now  
I've been waiting for forever to find you  
To find you ( To Find You)  
I'm not alone now  
Alone now  
'Cause you've taken in my heart from the cold  
All I know is everytime I look into your eyes  
I'm home  
I know

Chorus: You're where I belong  
I belong with you  
Your where I belong  
And I know its the truth  
You're a part of my heart  
There's nothing I can do  
Oh, You're the one who keeps me warm  
My baby, You're where I belong

You're my first taste  
My first taste  
Of the sweetest feeling I've ever known  
That I've known  
You're my safe place  
Safe place  
From a world that can be so cruel and cold  
You're my harbor  
You're my shelter  
You're that welcome smile  
That lets me know I'm home

Chorus 2x's: You're where I belong  
I belong with you  
You're where I belong  
And I know its the truth  
You're part of my heart  
there's nothing I can do  
Oh, You're the one that keeps me warm  
My baby, You're where I belong  
You're the one I come to

To keep me from the cold

3x's: You're where I belong  
I belong with you

You're Where I Belong and I know its the truth  
You're Part of My Heart  
There's Nothin' I can do  
Ooh you're the one that keeps me warm  
My Baby you're where I belong

You're Where I Belong  
You're my only cure ( Repeat 3x)

I am home now  
Home now
