Mira como ella meneas sus caderas (Hey!)
Cuando escucha el ritmo que corre por sus venas
(Heeeeey..)
Una sensacion, no puede controlarse (Hey hey..)
Quiere passion, ya tengo que acercarme (Sean Kingston)

Au wao wao
She makes me feel so, so right (MJ)
Au wao wao
Que no me puedo aguantar
Au wao wao
She makes me feel so, so right
Au wao wao
Que no me puedo aguantar

You make the club going crazy (Crazy!)
And I got my eye on this shorty
Can't let her get away no
'Cause shes all i want..
Wind it, move it, shake it, rock it
Baby girl just drop it low
Wind it, move it, shake it, rock it
Turn me on yeah

Baby come with me
Ah, wouldn't I love just you and me
Baby come with me
Ah, wouldn't I love just you and me
Bebe hechate paca
To' la noche tu y yo mama
Bebe hechate paca
To' la noche tu y yo mama

Au wao wao
She makes me feel so, so right (MJ)
Au wao wao
Que no me puedo aguantar
Au wao wao
She makes me feel so, so right
Au wao wao

Que no me puedo aguantar

Yo me la acerco, quiero conquistarla
Sentir su cuerpo, ya quiero devorala
Baby come with me
Ah, wouldn't I love just you and me
Baby come with me
Ah, wouldn't I love just you and me

Au wao wao
She makes me feel so, so right
Au wao wao
Que no me puedo aguantar
Au wao wao
She makes me feel so, so right
Au wao wao
Que no me puedo aguantar
