(Micke Luna)

Here I am
Thinking of you
I can't get you outta my mind
I see you there
Your eyes catch my view
A beauty that can't be denied
Will I ever get a chance with you
Or do I get second best
Oh I wonder why

Why can't you be another girl
Honey, I can't hide the pain
Girl, it's driving me insane
That you're not another girl
Oh, if you could see my face
And I wonder why

Glimmering shine
From your smile
A smile I can't resist
The words you speak
Through your lips
The lips I cannot kiss
Will I ever get a chance with you
Or do I get second best
Oh, I wonder why

Why can't you be another girl
Honey, I can't hide the pain
Girl, it's driving me insane
That you're not another girl
Oh, if you could see my face
And I wonder why

I can look
But I can't touch
No, I'll never get that much

Why can't you be another girl

Honey, I can't hide the pain
Girl, it's driving me insane
That you're not another girl
Oh, if you could see my face
It's driving me insane.
