Oooh aah

I've got a little something for ya

(I've got a little something for you)

Na na na na na na na na

I gotta little something for you

I gotta little something for you

Ain't that thoughtful of me (oh)

You know I've been wanting

I've been really wanting to give this to you

I've got a little something for ya

And I'll give you just three guesses

To figure out just what it is

'Cos I've been holding back so long

And my love is growing strong

So take these back

tear off the wrap

'Cos the gift that i ot ain't going back

I've got a little something for ya

(I've got a little something for you)

Na na na na na na na na

(Baby you know that I adore you)

I've got a little something for ya

(I've got a little something for you)

Na na na na na na na na

... Yes I have

You deserve something special

And most of all something for me

It's the kind girl that you and I'll enjoy

It's a gift that says that you are on my mind

I've got a little something for ya

And I'll give you just three guesses

To figure out just what it is

'Cos I've been holding out so long

And my love is growing strong

So take these back

tear off the wrap

'Cos the gift that I got ain't going back

I've got a little ...

A little something's what I got
Let's take a slow dive
Many be thinkin' sinkin' in da groove
I'll hit a lay by
pumpin' on da
System is da base "honey's kickin"
It's love she's inflicting
It's definitley addicting
addicted to da love
Of a lady that is so fine
Wanna know my secret
Than ya gotta get mine
Girl ya gotta get mine
Sign of a lover
Mr. Loverman is here
With a little something for ya
Nah nah nah Umm I don't think so
Let's take a long ride
girl
Don't let go
Nah nah nah Umm I don't think so
Let's take a long ride
girl
Don't let go
nah nah nah
Yeah ya better ask somebody
I've got a little something for ya
