(K. Grimwood/E. Idlet)

Yeah, got nothing to run from, nothing to fight,
Ain't nothing going bump in the middle of the night.
Ain't gonna worry, no, gonna worry no more,
'Cause we'll be safe for a while in the Hall of a Hundred
Doors.

Got no reason to hide, got nothing to fear,
'Cause they're all outside but we all in here.
Ain't gonna worry, no, gonna worry no more,
'Cause we'll be safe for a while in the Hall of a Hundred
Doors.

Now if you hear somebody knockin', please don't let
'em in,
I'm not ready for trouble again.

One potato, two potato, three potato, four,
If you hear somebody knockin', just don't open up the
door!

Yeah, got nothing to run from, nothing to fight,
Ain't nothing going bump in the middle of the night.
Ain't gonna worry, no, gonna worry no more,
'Cause we'll be safe for a while in the Hall of a Hundred
Doors.

Now if you hear somebody knockin', we don't want to
play.

We don't want any, just go away!

One potato, two potato, three potato, four,
If you hear somebody knockin', just don't open up the
door!

Got no reason to hide, got nothing to fear,
'Cause they're all outside but we all in here.
Ain't gonna worry, no, gonna worry no more,
Yeah, we'll be safe for a while if you don't open up the
door.

Yeah, we'll be safe for a while in the Hall of a Hundred
Doors.
