There's a scratch on my finger from the cat
I was only petting him who'da thought it'd do that
It doesn't fit good
that's a sliver of wood
from a bench in the park where i sat

So i think I'll need a band-aid
[need a band-aid]
maybe three or four
[five or six or more]
and a bottle of that spray stuff we just got at the store
some sticky tape, a roll of gauze
if you would be so kind
a wash cloth and a piece of ice
but not the iodine
no iodine

theres a bump on my head from the wall
I hit it when i was playing with the beach ball
I was climbing in a tree
when i fell and skinned my knee
it hurt but i didn't cry at all

But i think I'll need a band-aid
[need a band-aid]
maybe three or four
[five or six or more]
and a bottle of that spray stuff we just got at the store
some sticky tape, a roll of gauze
if you would be so kind
a wash cloth and a piece of ice
but not the iodine
no iodine

There's a while in the sleeve of my shirt
on my arm there's scrape and some dirt
my friends were very sad
but i said its not too bad
as a matter fact it doesn't hurt yet

But i think I'll need a band-aid

[need a band-aid]
maybe three or four
[five or six or more]
and a bottle of that spray stuff we just got at the store
some sticky tape, a roll of gauze
if you would be so kind
a wash cloth and a piece of ice
but not the iodine

i think I'll need a band-aid
[need a band-aid]
maybe three or four
[five or six or more]
and a bottle of that spray stuff we just got at the store
some sticky tape, a roll of gauze
if you would be so kind
a wash cloth and a piece of ice
but not the iodine
no iodine
