"This is the nursery rhyme polka,
And there're lots of bands these days
Giving requests for a nursery rhyme polka,
But we're the only band that i know who does one.
This is a song called The Window, and the
Way this works is this: Keith is gonna sing a
Nursery rhyme, then I'm gonna sing a nursery
Rhyme, and then we'll take requests from the
audience."

"Ezra, there is no audience-"

"So pretend."

Geogie Porgie, pudding and pie,
Kissed the girls and made 'em cry.

Threw him out the window, the window,
They threw him out the window! When the
Boys came out to play, they threw them out
The window!

The window!

Little Miss Muffet sat on her tuffet,
Eating her curds and whey,

She threw it out the window, the window,
She threw it out the window, Along came a spider,
It sat down beside her, and she threw it out the
window!

"And now, ladies and gentlemen, boys and girls,
We're gonna attempt something extremely difficult.
We are going to sing 2 nursery rhymes at the same
