Looking out my door,
I've seen this world before,
It's not like I left it,
Yesterday.

As for the fact,
That it cannot come back,
It doesn't really matter,
Anyway.

Turn on your eyes,
And look into tomorrow's skies,
Then look for the past,
A smile's all that really lasts.

There's a bigger play
Until you want to stay
You took or else
To take it

Reach out your hand
Take what you can
Live while you chance
You can make it.

Open up your eyes,
And look into tomorrow's skies,
Then look for the past,
A smile's all that really lasts.

Look to the skies
Where the eagle flies (hey!)

Look out your door,
You've seen the world before,
It's not like you left it,
Yesterday.

Reach out your hand
And take what you can
If you don't,

Someone else will, anyway.

Turn on your eyes,
And look into tomorrow's skies,
Tales are for the past,
A smile's all that has to last.
