Baby I got a problem,
I don't know what to do.
Baby I got a problem,
I don't know what to do.
Can't find the words to describe you, woman,
None like I could use.

I'm gonna search a dictionary,
Find new words to use.
I'm gonna search a dictionary,
Find new words to use.
Woman you defy me,
There's nothing I could do.

Baby I'm rackin' my mind,
Baby I'm rackin' my mind,
Oh, well you're such a kind.
Baby I'm rackin' my mind,
Well, you're such a kind, yes
I just can't find the words.

You're such a woman,
Got a hold on my mind.
My, my, my, my, my, my, mind,
You sure are the strangest kind.
Got no words for you baby,
I'm going out of my mind.

Now I know what to call you,
I know what to call you, baby.
I know what to call you,
Know what to call you, baby
You're the world's worst woman,
The devil ever made.

Yeah.

Now I know what to call you
I said I know what to call you, woman
Go and get some bay
And my mind

Well, you're such a kind, yes
Well, I just don't know how, okay.

Yes.
