Those crazy nights,
I do remember,
In my youth.

I do recall,
Those were the best times,
Most of all,

In my head, there's a blue jeaned girl
Burning love, coming once in a lifetime.
She finds me singing about the ever change.
Took me home, we danced by the moonlight.

Those sooner nights are calling, stone in love.
Can't help myself, I'm falling, stone in love.

You old, dusty roads,
Led to the river, running slow
She pulled me down, ooh, in the clover, we done
wrong.
In the heat with a blue jeaned girl, burning love,
coming once in a lifetime.

Oh, the memories never fade away;
Golden girl, I'll keep you forever.

Those sooner nights are calling, stone in love!
Can't help myself, I'm falling, stone in love!

Those sooner nights are calling, stone in love!
Can't help myself, I'm falling, stone in love!

Stone in love!
Stone in love!
Stone in love!
Stone in love! (fade)
