She hurt me badly,
Made me cry inside
Everybody's looking now
I want to run and hide

And I know,
I'll never love again.

No, I felt badly
I didn't let up,
That makes me happy, now,
That she's gone.

And I know,
I'll never love again.

What do they know
Of this emptiness I feel?
What do they know
So sure, that time will heal?

I walk my road
But you can't be sure
I can feel the footsteps
This time it's her

And I know
I'll never love again

What do they know
Of this emptiness I feel?
What do they know
So sure, that time will heal?

She hurt me badly,
Made me cry inside
Everybody's looking now
I want to run and hide.

And I know,
I'll never love again.

And I know,
I'll never love again.

And I know,
I'll never love again.
