For fifteen years been doing my thang

Ooh, ooh, yea-e-yeah, yeah

A little girl from North Island

Thinking back when it all started

I always had big dreams

(Always had big dreams)

Wanna be a superstar

Said that I was touched by God

Now I can tell the world all about

1 - My life, my heart

My story, my everything

To all of you is all of me

My story, my everything

Repeat 1

My life, my heart, my story

The answer to the calling

Now the whole world can see

(They will know about me)

Shout it from the highest mountains

Into the valley lows

In each and everybody there is a Lil' Mo

They gotta know about me

They gotta feel the love

I gotta show 'em all from the biggest to the small

From the bottom of my heart

To the depths of my soul

How I made it through the fire

And came out pure as gold

Repeat 1 (2x)

I'm giving you, me

Everything of me

My whole story

I hope that you will see

The life I'm living

Why I'm giving

I give to you

Everything of Mo

I'm giving you, me

Everything of me

My full story

I hope that you will see

From the bottom of my heart

To the depths of my soul

I went through the fire

To come out pure as gold

Repeat 1 fade out
