Ooh, ooh, ooh

You said (You said)

You had to leave

Come Saturday

You gon be with me

Said you had things

You had to do

Now it's Monday

I ain't seen or heard from you

How much more time you need?

I let it marinate

Getting worried

Now it's Wednesday

Didn't see your face

Ooh baby I believed you when you said

1 - Said you would love me for always

But always ended Saturday

How could you look me in my face?

Knowing you were with her in the first place

Ooh, I try (I try)

To reach out and touch you

But I look a fool, look a fool
I even drove by your apartment
Saw a For Sale sign
You up and moved away
You could've at least called me
According to you, y'all was over
Now y'all are closer than y'all ever were
You swore to me
I believed you when you said
Repeat 1
You took a piece of me
When you walked away
Last Saturday
I would've thought you'd be the one
That be good in my mind
Come and aid the same thing
I didn't see a thing
That would even make me think
That you weren't really down for me
Boy you ain't love me
You ain't love me
Repeat 1 (2x)
Oh, oh, baby, oh, oh
