Make you pack your bag,

Get the hell out here.

I make the choice today,

See one of us will be leaving,

Right now I anit goin' say.

You say you did go out,  
I know it was a lie  
The neighbors said they saw you,  
Last night driving by.  
What's up with this girl?  
Some supermarket clerk is visiting our house  
Is there when I'm at work,  
I just can't believe you had the nerve  
Cause there be no more~~  
No more kisses  
We won't be makin' love,  
I'm tired of your SH - IT,
