[Ghetto E]

On my block it don't stop

[Hook - 2x]

Fresh out the good-ship, my lollipops

After I cop, go cop me a drop top

After that, I'm headed straight for the Rollie shop

On my block it don't stop

Getcha money player!

[Ghetto E]

How much candy can I sell up on the block

My stores never close, they open around the clock

It's time to take a trip to the good-ship lollipop

Don't stop, getcha money player!

Flipping Alexander the Grapes, pay me Now or Later

Lemonheads chasin' my candy paint for the flavor

Go to cop, to set up shop on 5th Avenue

Crackerjack and his Nutty Buddy they be fallin' through

Puffin' Laffy Taffy, sittin' in Little Debbie's house

Her Baby Boop'll go to sleep, so now I'm bowlin' out

Hit the strip joint, lookin' for me some Kit-Kat

Raisinet gift and then I Hershey Kisses up in the back

I'll enjoy you when the Tootsie Roll on the pole

Mike & Ike freak in the back and there go Oreo

Aiyyo, aiyyo!

Can't stay out long, I'm going home

It's time to hit the block

My man got them yum Dum-Dum drops, and they come

[Hook - 2x]

Fresh out the good-ship, my lollipops

After I cop, go cop me a drop top

After that, I'm headed straight for the Rollie shop

On my block it don't stop

Getcha money player!

[Ghetto E]

Hood-wide, open, hopin' to flip a 100-Grand

Rock candy won't melt up in your mouth or in your hand

Money wrapped in rubberbands, we call 'em Rolos

Cause you know we gots to get the Pillsbury Dough
Page Mr. Goodbar, told me meet me at the Jolly
Rancher
Doin' eighty on the Noogie, way that nigga got there
I pray to God he wasn't wired with no 'Ubbie Bubble
We will brake his Sweet Tarts off if he got in trouble
Got him out of jail on the double, he back on the grind
"Now who's Bazooka Joe" I don't know, he ain't a friend
of mine
"He called about some Blow Pops", stop that might be
one time
Tryin to get a buy, but I refuse to let him cop mine
It's hard to stop the Candyman from walkin' in his cash-
shoes
Because the Candyman he had to stand that the cash
rules
Can't stay out long, I'm going home, it's time to hit the
block
My man got them yum Dum-Dum drop, and they come

[Hook] 3x to fade
Fresh out the good-ship, my lollipops
After I cop, go cop me a drop top
After that, I'm headed straight for the Rollie shop
On my block it don't stop
Getcha money player!
