Any time dumpin' them fools  
You see a motherfuckin' killer with No Limit tattoos  
And when the smoke clear I know my job complete  
And every day I see dumb niggas die in the street

Run for cover if you soft, don't want no power  
My show guillotine your picture and your mama gon'  
miss you, nigga  
You and your kids and your wife take your life  
With a knife, it ain't right but uh, the money was tight

Am I too aggressive, nigga? It's hard to survive  
And stay alive, make you feel like a bitch inside  
But if feel froggy, jump and watch me react and attack  
And leave you layin' on your motherfuckin' back

'Cause ain't no playin' in the game of life, the game of  
hustle  
Where them niggas pack heat, fuck them niggas with  
muscle  
Where the skinny niggas with the triggers sittin' on top  
of the mound  
Runnin' fools clean out of town, nigga

We riders, I'm a rider, we riders, I'm a  
We riders, I'm a rider, I'm a rider, I'm a motherfuckin'  
rider

Gettin' high, hittin' the store  
Runnin' from the law, damn niggas'll talk  
Too many bitches sweatin' so I'm fuckin' 'em all  
Lace the weed and them hoes they be takin' it all

Take 'em down like I just touchdown from lockdown  
Just some bitch ass shit, it just be sweatin' my clique  
50 million so, still countin', still sittin' on top  
You niggas only wish what I got

Fuck a bed, fuck a house, nigga  
Fuck you and the watch, I'm thugged out, I be clutchin'  
my Glock  
With more than 5 reasons for you to call me a nerd

'Cause infra red held lead come straight to your head

And then you dead, nigga, what's up now, what's up  
now, bitch?

Nigga, show me you made the wrong move  
You lose, bye bye, just die, don't cry, when I get high

We riders, I'm a rider, I'm a rider, I'm a rider, I'm a  
rider, I'm a rider

We riders, I'm a rider, I'm a rider, I'm a rider, I'm a  
rider, I'm a rider

We riders, I'm a rider, I'm a rider, I'm a rider, I'm a  
rider, I'm a rider

We riders, I'm a rider, I'm a rider, I'm a motherfuckin'  
rider

You bitch, I told you motherfuckers

No Limit soldiers never drop, we always on top,  
motherfucker

So you better check the motherfuckin' Billboard spot
